

## Herons' Moor Academy

### **School Admission Arrangements – 2018-19 School Year**

1. The following information should be read in conjunction with the 2018-19 Coordinated Admission Scheme published by the Local Council in which area the child subject to the application lives (the home Council). For those living within North Somerset, the schools admission arrangements for Reception Intake are in conjunction with the North Somerset Co-ordinated Admission Scheme for new intake primary admissions for 2018-19. To see a copy of the scheme contact North Somerset Council (see para.5 below for contact details).
2. Herons' Moor Academy Trust, in accordance with the School's Academy status, is responsible for admissions to the School.

The Admission Number for Herons' Moor Academy is 60 and this is the number of places available in each year group.

3. If the school is not over-subscribed for Reception Intake all applicants will be offered a place.
4. If the school receives more applications for Reception Intake than the Admission Number the following criteria will be used to determine who will be allocated the places. All applications will be ranked in accordance with the criteria below given in order of priority.
  - (a) Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care.
  - (b) Children whose brother or sister will be attending the school at the time of application.

When applying criterion (b), priority will be given to those living closest to the school measured in a direct line between the address point of the child's home and the main entrance marker for the school, indicated on North Somerset Council's computerised system(s).

- (c) Children of Herons' Moor Academy staff employed on a permanent contract by the school for at least two years at the time of application, or where the member of Herons' Moor Academy staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school site for other employers.
- (d) Children living closest to the school. The distances will be measured in a direct line between the address point of the child's home and the main entrance marker for the school, indicated on North Somerset Council's computerised system(s).

Where the direct line distances are equal, the ranking of applications will be made by drawing lots.

Where a school is named in a child's Statement of Special Educational Needs or Education, Health and Care Plan, the Admission Authority is legally required to admit the child to the school. Where Herons' Moor Academy is named in the Statement or Plan, such children will

therefore be allocated places before the over-subscription criteria are applied. Applications of this type will take priority over all other requests for places.

The school will hold a list of those Reception applicants still seeking a place at the school, until the 31 December 2018. All applications will be ranked in line with the school's over-subscription criteria and allocations will be made in accordance with it. Each added child to the list will require the list to be ranked again in line with the above published oversubscription criteria. Priority will not be given on the basis simply of the date an application was added to the list. Children who are the subject of a direction by a Council to admit, Children in Care, Children previously in Care or those who are allocated a school in accordance with a Fair Access Protocol for school places, will take precedence over those on the waiting list.

### **ADDITIONAL INFORMATION:**

#### 6. In-Year Applications:

If there are more applicants than vacancies for any year group, In-Year applications will be considered in accordance with the above over-subscription criteria. An In-Year application form is available upon request from the school and/or North Somerset Council.

The school will, where appropriate, consider allocations for children identified as being from vulnerable groups in accordance with North Somerset Council's Fair Access Protocol (full details available from North Somerset Council).

## 7. Children in Care

'Children in Care' are children who are (a) in the care of a local council or (b) being provided with accommodation by a local council in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

For Children previously in Care:

- this includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders)

- child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replaced residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order

- in accordance with Section 14A of the Children Act 1989, a Special Guardianship Order is defined as an order appointing one or more individuals to be a child's special guardian (or special guardians).

## 8. Brothers and sisters.

To be considered as a brother or sister a child must be living at the same address for the majority of the time\* as a full, half, step or adoptive brother or sister. Full and adoptive brothers/sisters are defined as children who have the same either biological or adoptive parents. Half brothers/sisters are defined as children who share only one either biological or adoptive parent. Step brothers/sisters are defined as children who are not necessarily related biologically (including Foster children) but are living in the same household for the majority of the time\* at the address considered to be the address of the child for whom the application is made.

\* A child must be living at an address for at least 50% of the time to be considered as living there for the majority of the time.

A brother or sister must be attending (or is expected by the school and/or North Somerset Council to be attending) the school at the time of application.

## 9. Home address.

A child's home address is considered to be the place where the child permanently and ordinarily resides for the majority of the time. This would normally be the same address as the person who has parental responsibility for the child as their main carer. Those moving should normally provide independent confirmation of the new address.

10. Parent: This includes all of those people, including carers, who have parental responsibility for a child as set out in the Children Act 1989.

## 11. Children with a Statement of Special Educational Needs or Education, Health and Care Plan.

There is a different procedure for Children with a Statement of Special Educational Needs or Education, Health and Care Plan. Their parents should apply for a place via the service dealing with Special Education Needs in their home council.

## 12. Right of Appeal

Parents whose school place application is refused have the legal right to appeal against this decision. Details concerning how to appeal will be explained in the decision letter.

### 13. Admissions of children outside their normal age group

Applications for delayed or accelerated entry in cases where parents would like their child to be admitted to a year group either side of the chronological age year group, will be considered. The reasons for the request must be fully explained in writing and included with the school place application form (or submitted separately where applying via an on-line service). Parents of summer born children (born on or between 1 April and 31 August) can ask the Admission Authority to admit their child into the Reception year one year after they would normally enter the school.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child taking into account the social, emotional and academic development of the child as often supported by education and other professionals, the views of the Head Teacher, where relevant the child's medical history and the views of a medical professional, whether they have previously been educated out of their normal age group and whether they may naturally have fallen into a lower age group if they were not born prematurely

### 14. Deferred Entry

Parents offered a place for children who have not yet reached their fifth birthday have the right to apply for a deferred entry to school. In these circumstances, parents can request that their child start school in the Reception year group at a later stage in the academic year, however, must be in full time education by the start of the term (term 1, 3 or 5 as appropriate) following his/her fifth birthday.

15. All children offered a place are entitled to a full time place in September following their fourth birthday.

Parents may also request that that their child takes up their place on a part time basis until the child reaches compulsory school age.

16. All applications will be considered equally regardless of the ranking of a parent's preference for the school.

17. Attendance at a Herons' Moor Nursery class does not qualify the child for a place in a Reception class at Herons' Moor Academy. Parents of such children must apply for a Reception school place via their home Council.
